DECLARATION OF ADAM NEWCOMER

COMES NOW Adam Newcomer and states:

1. I am over the age of eighteen and competent testify herein;
2. I am employed by LaserShip courier company as Account Manager and makes this declaration in that capacity; and
3. On October 10, 2003, LaserShip was unable to make its usual delivery to the United States Patent and Trademark Office on behalf of Lowe Hauptman Gilman & Bernier, LLP due to the emergency evacuation of the USPTO building housing the walk-up window for filing. LaserShip attempted two deliveries, the first at 5:30 p.m., after the building was first evacuated and the second after 6:45 p.m., which is when Leonardo Randjelovic, the contractor for LaserShip handling the run, had been previously advised by personnel at the USPTO to re-attempt delivery. When LaserShip arrived at the USPTO at 6:45, the building was empty and there were no personnel in or around the building to receive filings.
4. At approximately 11:30 a.m., on October 14, 2003 I contacted a supervisor (name unknown) at the walk up filing window at the USPTO about the nature of the evacuation
